Message From Our Founder Chancellor

Shri Jaiprakash Gaur

“We are determined to provide quality education to our students through the most modern educational institutions to make them financially empowered while shaping them into self-reliant and confident citizens of a modern India.

These institutions would strive to inculcate discipline and character building along with serious pursuit of knowledge, utilizing the most advanced teaching practices and high moral standards, so that our teachers and students can stride forward and see the transformation of their country into an advanced nation within their lifetime.”

Message From Our Chancellor

Let's Navigate Success – Digitally!

The digital landscape is our new reality, and success demands agility. JIIT Noida's online BBA & MBA programs, launched under our esteemed aegis, equips you with the skills to thrive in this dynamic environment. Let's navigate the digital future and achieve success, together.

Online Education

I'm incredibly excited to welcome you to our online BBA and MBA programs which prepares you to thrive in today's digital business world with critical thinking, digital fluency, and core management skills.

It fosters flexibility, independent learning, and collaboration while offering access to renowned faculty and a diverse peer network, all from the convenience of your own space.

Shri Manoj Gaur, Chancellor
- Jaypee Institute of
Information Technology

About

Jaypee Institute of Information Technology

Jaypee Institute of Information Technology (JIIT), a top-ranked Deemed-to-be-University with over 25 years of legacy has been delivering excellence in education, innovation, and research in both Technology and Management through Jaypee Business School. JIIT has consistently nurtured a Dynamic, Future Ready Learning Ecosystem built on strong academic foundations and real-world relevance.

Significant Developments

Innovation Decade (2021-2030): JIIT has declared this decade as the Innovation Decade to drive research, innovation, and entrepreneurship.

RIDE Innovation Hub: A dedicated platform for research, incubation, and startup support.

Digital Learning Centre: Cutting edge studios and resources for online and blended education.

Directorate of Research, Innovation & Development (DRID): Fostering student and faculty-led innovation and startups.

Recognized Excellence: Consistently ranked among top institutions for management and technology education.

An Institution Built for Excellence

Established in 2001, JIIT Noida (Deemed-to-be University) has grown into a Centre of Excellence in:

- Science and Engineering
- Information Technology
- Electronics and Communication Engineering
- Biotechnology
- Management

And related emerging areas of education, training, and research.

Guided by its vision to produce leaders in innovation, entrepreneurship, creativity, and management, JIIT attracts top talent from diverse backgrounds.

Students benefit from world-class education, a vibrant campus culture, and a strong focus on knowledge, confidence, self-discipline, and creativity.
